

AMENDMENT AMENDMENT AMENDMENT

Partial Moratorium on Filling Budgeted Job Vacancies

In accordance with the **amended** resolution to declare and order a partial moratorium on the filling of budgeted job vacancies, the resolution exempts:

"Those budgeted job situations where the Request for Certification has been approved by the Appointing Authority as of November 2, 2006. The Human Resources Department shall identify those situations in consultation with the County Attorney. "

"Those budgeted job situations where the filling of the job vacancy is CRITICAL. As used herein, "CRITICAL" shall mean that if the vacancy is not filled a crisis will result that will cause a substantial economic loss or cost to the County that substantially exceeds the cost of filling the vacancy."

The amended resolution, which explains the procedure required to establish an exception, will be posted on the intranet .
